Program Tuitions

2021-2022

The pricing below is for informational purposes. Tuition and fees may change. You must obtain and return an Enrollment Form from TFCP to enroll your child.

IMPORTANT COVID update: While TFCP expects to offer Co-oping to families who choose this option, this may not be possible due to CDC and OOL guidelines for the 2021-2022 school year. If this should occur, you will be requested to choose either Modified co-oping or Non-co-oping and your tuition will be adjusted.

A \$100 Registration/Insurance Fee is due at time of Enrollment.

The Registration/Insurance fee is not refundable.

*Monthly Tuition Amounts are based on the 10-month payment plan offered by TFCP.
